South Somerset Partnership School

'Our mission is not that you survive, but that you thrive with passion, compassion, humour and style'
(Maya Angelou)

We believe in....

Every child

The Heart

... every child deserving a champion

... keeping the child at the heart of everything we do

Giving

... the privilege of being custodians of current funding and future possibilities

Our School

... being a safe place where the adults are in charge

Transformational

... the transformational power of education.
Play is learning, learning is play.
We will provide a high quality, age-appropriate nurture based environment.

Holding boundaries

... loving children enough to say 'no'

Everyone

... being treated with unconditional positive regard

Responsibility

... to help each child to achieve their potential

And we are doing it **TOGETHER**

Meeting our specific duties under the 2010 Equality Act

We publish information annually on our school website to show that we have complied with our general duties under the Act.

We set equality objectives and review annually our progress towards them. For the period from May 2024 to April 2028 our equality objectives are:

- To ensure that all learners have equal access to a rich, broad, balanced and relevant curriculum.
- To ensure that teaching and learning promotes equality, celebrates diversity and promotes community cohesion.
- To ensure that no-one is unfairly or illegally disadvantaged as a consequence of their gender, colour, race, age, ethnic or national origin, disability or religious beliefs.
- To recognise and celebrate diversity within our community whilst promoting community cohesion.
- To ensure that those with management responsibility and individual staff accept responsibility for planning, organisation and delivery of appropriate educational material to ensure that this policy for equal opportunity is woven into all we do.
- To ensure that learners and parents are fully involved in the provision made by the school.
- To monitor changes to the curriculum to ensure they result in good outcomes for pupils in all vulnerable groups, and to review the curriculum in light of new performance measures.
