

Adverse Weather Advice

In the event of extreme weather conditions, every effort will be made to keep the school open, even if only limited numbers can attend.

The exception would be when to do so would endanger pupils, staff or parents or if a decision to close is made at a County level.

If a decision is made to close the school during school hours, you will be informed directly by phone. If you suspect early closure and there is no one for us to contact, you are asked to telephone the school.

Please visit <https://slp.somerset.gov.uk> where you will be able to find all the information you need for early closures.
