

Parent & Family Support Advisor-PFSA

Following a referral from South Somerset Partnership School and with your permission, I will meet with you to look at suggested areas of support.

A PFSA works with families and carers identifying areas of support, helping families achieve positive outcomes which in turn have a positive effect on educational outcomes for their child

Support includes, but is not limited to:

One to one family support

Strengthening parenting skills

Improving attendance and attitude towards school

Confidence building

Benefits

Housing

Relationship issues

Signposting to local services

Help with form filling

Behaviour management

Attending meetings with you

Accessing local services

Healthy lifestyle

The support I offer is confidential within South Somerset Partnership School, however you need to be aware that any safeguarding and child protection concerns will be passed on to the relevant agencies.(I will always try to inform you when I need to pass information on.)
