Advice for schools on COVID-19 (Coronavirus)

Public health England and the DFE have issued guidance to all school and we will take all advice from them to ensure the health and safety of pupils and staff.

Over the next few days we will be ensuring that all pupils are reminded about the importance of handwashing and taught about hand hygiene.

You can find further advice and guidance by going to the website below.

We will....

Believe in you
Keep you safe
Help you learn
Listen to you
Help you when things go wrong
Keep to a routine

Attendance– We have completed a review of our attendance registers for the academic year so far. We have found that there are some pupils who are attending the school, but not attending all of their lessons. Please remind your child that they need to be in lessons every day in order to get the very best out of their time with us. If you have any concerns about attendance, please do let us know so that we can resolve these as soon as possible.

E-safety– Do you know how to support your child to be safe online?
Would you know how to report cyberbullying?
