

Chard – Steve Green

Daily Work Log

Date	Work & Activities
Week beginning 4 th May 2020	<p>For this week please continue to use your app, the BBC bitesize website or the designated TV channel via the red button on the BBC. Can you do the lessons that are set out for each day and also look to consolidate your learning by looking at the either the KS3 (yr 9) or GCSE(yr 10) on the site to do the revision sections. This will allow you to test what you have learnt.</p> <p>You can now also look at other subjects on the website that interest you (or are your favourite subjects) so that you can keep learning and be ready for when we return to school.</p> <p>Don't forget Joe Wicks for your PE or some of the meditation and relaxation apps for some mindfulness that I've sent you before. Mr Welch, Mrs Redington and I look forward to talking to you during the week.</p> <p>Mr Green</p>
