Information for pupils, parents and carers

Dear All,

It has been a troubled and turbulent time as we have all faced the coronavirus lock down.

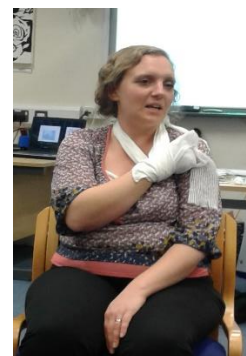

I would like to thank all parents and carers for working alongside us as we have attempted to ensure your children are safeguarded and still receiving meaningful learning tasks. I am sure we have not got it right all of the time and your partnership and input has been instrumental in supporting this process.

Our Year 11 pupils have now finished school. There is ongoing work now taking place which will last into September, to support transition to post 16 placements. Some pupils will receive additional support over the summer from either their post 16 placement or from us.

To any pupils returning in the new school year- we will be in touch on 3rd September, planning is now in earnest to ensure we are 'Covid Secure' so that we are able to work to full capacity as soon as we can.

To the vast majority of pupils who are leaving us, we wish you the very best in your new school or post 16 placement., we will remember you fondly and hope that your experience at SSPS will have supported your next steps.

I hope that you enjoy the summer break and send warmest wishes to you all.
