

7th April 2022

Dear Parents,

Each year we, as a school, run a transition programme to help our students settle into their next steps. We also receive support in this from our destination providers. This year this work will be in place during next term.

On Friday 29th April at 13:30 we would like to invite you to school to meet with the transition teams from Yeovil College and Somerset Works, [Somerset Works](#). For those attending Yeovil their team will help with the transition in the coming weeks and over the summer. The team at Somerset Works will help provide a platform of guidance for those students who are at present undecided, or who might need further support and advice.

All students will get a chance to meet the relevant staff and to start thinking about what advice is going to be helpful. There is no one plan that fits all so all pupils will receive the package that fits their needs best. Please do let me know if you are able to attend.

Please get in touch if you would like any further information.

Best wishes

Ben
