Our Ethos:

‘Everyone in our school community has a right to learn and grow, be treated with respect and feel safe. Each has a responsibility too to conduct themselves in a way that helps promote these rights helping us to ensure that we continue to develop a culture and ethos in which every person feels valued and knows how to value the contribution of others.’

INTRODUCTION

Off-site visits/activities are arranged by or on behalf of a Local Authority School, Academy or Educational Establishment, and would normally take place away from the establishment grounds. Off-site activities for children and young people can supplement and enrich their education by providing experiences that would otherwise be impossible. All off-site activities must serve an educational purpose, providing experiences beyond the classroom that enrich learning and personal development.

In this policy, we seek to establish a clear and coherent structure for the planning and evaluation of our off-site visits to manage and minimise risk, ensuring the safety and health of all pupils at all times. Within these limits, we seek to make off-site visits available to all pupils and wherever possible to make them accessible to those with disabilities. Off-site visits usually take place within the school/working day, but the school may also organise and deliver off-site activities that take place outside of normal school/working day hours or involve overnight residence away from home.

AIMS AND OBJECTIVES

The aims of our off-site visits are to:

- Enhance curricular and recreational opportunities for our pupils;
- Provide a wider range of experiences for our pupils that could not be provided on the school site alone;
- Promote the independence of our children as learners, enabling them to grow and develop in new and different learning environments.

Curriculum Links

For each subject in the curriculum, there is a corresponding programme of activities that may include visits to specialist venues. One of our key measures as a school is Thrive. The Thrive Approach allows us to measure social and emotional progress of our pupils. Much of this work is completed through our Outdoor Thrive programme which delivers a variety of challenging, cultural and creative activities that help to develop the social and emotional skills of all our pupils based on the latest neuroscience and attachment theory work. All activities should be in line with guidance published by the Local Authority.

Residential Activities

Residential visits enable children and young people to take part in a wider range of outdoor and adventurous activities. Residential visits must only be undertaken with the endorsement of the Local Authority.

ROLES AND RESPONSIBILITIES

The key role involved in the planning and management of all off-site visits is the External Visit Co-ordinator. The establishment head will ensure that it has a trained External Visit Co-ordinator, whose role is to:

- Ensure that risk assessments are completed and, when appropriate, individual safety plans and safe working practices.
- Support the governing body in any decision on approval.
- Assign competent staff to lead and help with trips.
- Verify that all accompanying adults have been DBS checked.
- Make sure that all consent and medical forms are obtained.
- Keep records of visits and provide after-visit evaluation to aid future visits.

The school's trained EVC is: Stephen Green / Richard Lucas

Other key stakeholders involved in an off-site activity are listed below. Further guidance on the roles and responsibilities for each stakeholder can be found on the SCC Outdoor Education website:
<https://www.somerset.org.uk/sites/sccoea/SiteAssets/SitePages/Organisation%20of%20External%20Visits%20or%20Activities/Roles%20and%20Responsibilities%202019%20version.pdf>

- Area Management Group (Governing Body)
- External Visit Coordinator (EVC)
- Headteacher/SLT
- Outdoor Education Advisor (OEA)
- Visit Leader
- Teacher, TA, HLTA, PL and other employees of SSPS
- Adult Volunteer
- Young People
- Parent/Guardian

HOW VISITS ARE AUTHORISED

Staff proposing to arrange an off-site activity must seek and obtain the approval of the Headteacher and Area Management Group (as necessary), in advance, before any commitment is made on behalf of the school. Off-site requests in any Category (listed below) should be made no less than 2 weeks in advance of the planned date.

CLASSIFICATION OF EXTERNAL VISITS: (see Appendix 1 Flow Chart)

External/off-site visits fall under one of three categories:

- Category A – non-adventurous, local activities;
- Category B – Adventurous activities, residential, activities that require an overnight stop, or off-site visits that take place abroad;
- Category C - Duke of Edinburgh Award activities.

CATEGORY A VISITS/ACTIVITIES

Approval for Category A visits and activities has been delegated by the Area Management Group to the Head Teacher and/or EVC. Governors must review delegation arrangements annually as part of Health and Safety Policy for school.

Delegated responsibilities form:

[https://www.somerset.org.uk/sites/sccoea/SiteAssets/SitePages/Templates%20and%20Forms/Governor_to_Head_Delegation_for_Cat_A\[1\]%20\(3\).doc](https://www.somerset.org.uk/sites/sccoea/SiteAssets/SitePages/Templates%20and%20Forms/Governor_to_Head_Delegation_for_Cat_A[1]%20(3).doc)

CATEGORY B VISITS/ACTIVITIES

Approval for Category B visits or activities must be obtained from the Area Management Group and the Head Teacher before they take place. Endorsement is also required from the Outdoor Education Adviser, managed by the Local Authority.

CATEGORY C DUKE OF EDINBURGH AWARD ACTIVITIES

Approval for Category B visits or activities must be obtained from the Area Management Group and the Head Teacher before they take place. Endorsement is also required from the Outdoor Education Adviser, managed by the Local Authority.

Further guidance on the classification of visits can be found on Page 3 of the **Notification, Approval and Endorsement** document, found on the Outdoor Education website, or via the following link: [Classification of Visits](#)

PLANNING A VISIT OR ACTIVITY

The Visit Leader must ensure that the visit or activity is planned and endorsed by the External Visit Coordinator and Outdoor Education Adviser (if applicable) a minimum of two weeks before the activity or off-site visit commences. The checklist in Appendix 2 provides best practice guidance on what should be completed in advance, and following, a visit or activity.

When planning **Category A** activities, a record of the trip or activity on the European Education Consultants website is compulsory. A record within the school or establishment of a planned off-site activity should be kept, via the completion of a form such as the [Visit Information Collection Sheet](#).

Category B and C activities should be carried out using the European Education Consultants (EEC) Health and Safety Management system for Risk and Educational Visit management as the system provides a means to approve applications online for both the establishment's EVC and Local Authority.

VISIT PLAN

The visit plan for intended visits must include the following:

- Risk assessments for transport, site of visit and activities
- Curriculum/development objectives
- Supervision/pupil ratios
- Itinerary
- Supervisory details
- Emergency contact details

RISK ASSESSMENT

All venues/sites for an activity **MUST** be pre-visited by the visit leader.

All relevant risk assessments must be carried out by the Visit Leader before any proposed visit or activity takes place. Existing risk assessments should be checked to ensure that they are still suitable and sufficient.

Key issues from the completed risk assessments or safe working procedures must be shared with adults/supervisors involved in the visit/activity.

As before, the EEC provides comprehensive frameworks for venues and activities which should be used for visit/activity planning (where available).

TRANSPORT

Risk assessments must be carried out for the mode of transport. When hiring a coach or minibus, you must only use companies that have been endorsed by Transporting Somerset.

Please also consider the use of a second support vehicle, where possible, to account for emergencies or contingency planning when on an off-site visit. All activities are based within one hour of our school sites and will only be a further distance if we have a second driver on the visit/activity.

If using a self-drive minibus whether, owned, leased or hired, drivers must have received training within the last four years through Transporting Somerset. Please contact the Driver Training Coordinator on 01823 358133 for further information.

If using staff vehicles, ensure that [Driver Risk Assessment \(F14a\)](#) has been completed before visit.

Using vehicles belonging to parents is discouraged. If, however, the decision is made to use a parent's vehicle the driver risk assessment (F14a) **must** be completed and a DBS check performed before the visit/activity takes place.

COMMUNICATION WITH PARENT/GUARDIANS

The parent/guardian of young people taking part in an off-site activity should be provided with all appropriate information about the intended visit. A parent or guardian signs an EV6 (Appendix 3) at induction, additional consent is not required for off-site activities that take place during the school day.

However, parent/guardians **MUST** give their permission in writing before a child can be involved in any off-site activities scheduled to take place outside of normal school hours or considered to be 'higher risk' e.g. overnight trips, residentials and adventurous activities classed as Category B and C trips and activities. Our EV6 form will cover all Category A off-site trips and activities, but an EV5 (Appendix 4) will need to be completed for Category B or C trips.

FURTHER HEALTH AND SAFETY CONSIDERATIONS

Adults accompanying the group(s) on the visit/activity must be informed of the emergency procedures by the Visit Leader and provided with an emergency telephone number. This will normally be the main school number 01935 410793, but where an activity extends beyond the normal working day, the telephone number of a designated emergency contact should be provided.

The School Office/Administrator in each centre to be provided with a list of everyone, pupils and adults, travelling with the group, together with a copy of the itinerary for the activity (print out of the summary sheet from software).

The safety of the group(s), especially the pupils, is of paramount importance. During the activity, the Visit Leader must take whatever steps are necessary to ensure that safety. This involves taking note of any information relating to medical or dietary requirements, and ensuring that pupils are both safe, well and are always looked after.

Prior to an activity, if it is felt that the behaviour of an individual pupil is likely to compromise the safety of others, the Visit Leader should discuss with the Head Teacher/Pastoral Leader measures to put in place to enable the pupil to take part, especially if part of the curriculum. An example of these measures could be an Individual Safety Plan supporting extra supervision.

DATA PROTECTION

Personal data includes information by which an individual can be identified. Items commonly used for off-site visits where personal data may be managed by the school includes:

- Consent Forms (likely to reference names, addresses, dietary and medical requirements)
- Emergency Contact Information
- Care Plans

Retention and use of this information will only be used for the safety and welfare of the child where consent has been given by the child's parent or guardian. This data will be:

- Stored securely
- Only kept for reasons of child protection and welfare in association with off-site visits
- Will be destroyed once the data is no longer required.

ACCIDENTS/INCIDENTS

In the event of an accident or incident during an off-site activity, the school will follow its own accident or incident reporting procedures. Where significant accidents occur (e.g. hospitalisation of the injured party, major injury etc), the school will record the incident on the EEC Health and Safety Management System, to account for further investigation and possible reporting to the Health & Safety Executive.

MONITORING AND REVIEW

It is good practice to monitor and review the successes and failures of your off-site activities in line with your curriculum/development objectives. This is to ensure that off-site visits provide enrichment and positive experiences that off-site visits are designed to deliver.

An external review form is available on the SCC Outdoor Education website:

[https://www.somerset.org.uk/sites/sccoea/SiteAssets/SitePages/Templates%20and%20Forms/EVR_External_Visit_Review%20\(4\).doc](https://www.somerset.org.uk/sites/sccoea/SiteAssets/SitePages/Templates%20and%20Forms/EVR_External_Visit_Review%20(4).doc)

This policy is monitored by the appropriate Committee of the Governing Body and will be reviewed every two years, or before if necessary.

Visit Leaders Checklist

Must Do:

Ensure that the purpose of your visit has clear educational aims and objectives.

Document the Year group/Key Stage of the young people in the purpose of visit and educational objectives area.

Conduct a pre-visit to the venue; or contact the venue; or research the venue website beforehand to confirm that the venue will meet the educational aims and objectives. is inclusive for young people of all abilities and provides a safe and secure environment for the planned activities (and residence if the group is staying).

Ensure that the visit is submitted to the External Visit Co-ordinator for approval online two weeks prior to the date of departure and in good time for OEA approval (Category B and C visits).

Any required new risk assessments to be completed and shared with visit supervisors*.

All critical supervisors are listed and appear in the ratio box. Other supervisors or additional support must be listed in the application.

All attendee numbers to be recorded in the ratio box.

If the activity is adventurous and is being led by a qualified member of staff from your educational establishment, ensure that they have completed an EV3 form (Appendix 5).

Ensure both the insurance box and the category of visit is selected.

Itinerary to be completed denoting travel stages (to and from venue) and a stage(s) denoting planned activities and supervision arrangements.

Emergency contact number to be recorded for the visit - home and away.

Emergency arrangements, including first aid, have been communicated to relevant supervisors and participants in case of emergency during the off-site visit.

- Confirmed travel or transport arrangements with an operator (if required).
- Confirmed accommodation arrangements, including accessibility (if required).
- Considered alternative plans if factors such as bad weather, venue or transport issues arise.
- Checked the weather for outdoor activities, considering temperature, daylight hours, rain, snow etc. prior to the off-site visit.

***Note: A risk assessment must be completed for the planned activity, whilst a generic risk assessment can be used to cover an activity that is regular or will be run by one or more groups or classes.** *(Example – a residential to Kilve Court would require a Kilve Court risk assessment and coach or minibus travel risk assessment).*

Visit Leaders need to ensure that they have looked at the risk assessments relevant to the activity and shared them with all supervisors who are involved – it will NOT require reviewing or completion of a new assessment for each visit.

Should Do *(Helpful to trip planners in the future)*

- Add links to information regarding the trip to be found on your school web site into the links page.
- On return rate your transport operator and add comments on their performance by visiting the Operator details.
- Monitor and evaluate the visit or activity to identify successes/whether the aims were met/learning areas for future trips.
- Add the location of documents regarding the trip to be found within your school into the documents page.
- Engage the young people in the planning and risk assessment elements of the organised activity to enrich the off-site visit experience.
- Add your completed risk assessments to the 'assessments' page of your external visit application.
- On return rate your external provider and add comments on their performance by visiting the Provider Details
